CAUGHT DOING GOOD

A great role model for young men

As we look back on the 2022-23 season, we celebrate the great coaches, athletes, parents and officials who were Caught Doing Good by their peers.

Today's CDG features coach and club director David Newman

Write-up: Coach Newman deserves to be recognized for his mentoring and also for being a positive role model in the lives of young men. He started his own volleyball club (Lake Country Pipe Hitters) to give youth an opportunity to try volleyball and experience this spirit of competition.

He provides each of his players thoughtful, constructive feedback on their performance and he does so in an encouraging manner. He believes in his players and never gives up on them.

Additionally, he also holds them accountable to high expectations and being true team players. I have seen so much growth and camaraderie develop amongst the U16 team this year.

As parents, we are very appreciative of all of his hard work to get the team to this point. Outside of practices and competitions he has spent countless hours planning and preparing so that the team has practice space and solid communication for expectations and is

prepared for competitions. He has much to be proud of and should be recognized for going above and beyond to put together the Lake Country Pipe Hitters and provide players in opportunity to compete.

Thank you for being a positive role model in the Badger Region.

For his service to the volleyball community, David will receive some cool Badger Region swag.

Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect.

To do so, the Region's Ref Chair is encouraging club directors or coaches to send images if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

The photos of the jerseys should not be of any junior athlete in uniform.

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

If your team plans to attend a USA Volleyball Boys or Girls Qualifier or National Championship, the Region can also help direct you as to the proper channels you must go through to get jersey waivers.

Tournament entry date Nov. 19 for club directors

SAVE THE DATE

Black Friday can again be reserved for shopping, sleeping in or spending time with family. The Badger Region has moved its tournament entry for one-day events to 6 p.m. Sunday Nov. 19.

This has come at the request of club directors who said the previous dates conflicted too much with other activities on their professional and personal calendars.

AES will open at 6 p.m. the Sunday before Thanksgiving moving forward to allow club directors to enter their teams in one-day Badger Region tournaments. Oct. 1 remains the date to enter two-day or three-day events in the Badger Region.

The date to be accepted into tournaments (meaning fees have been received) in Monday, Nov. 27.

Region to host in-person club director meeting

The Badger Region is inviting all junior club directors to an in-person meeting on Sunday, Aug. 27, in New Berlin. The event will go from 1 to 4 p.m. and include two keynote speakers.

The meeting will include discussions on sportsmanship, parent involvement, tryouts and much more. Directors should reply to the invite sent last week.

Region offers outdoor net rentals

The Badger Region invested in 12 outdoor nets and is offering rental of those nets for Badger Region clubs and members to bolster beach or grass programming in their organization.

If you or your club needs nets that might be used for an outdoor tournament, clinic or social gathering, contact Program Director Brian Sharkey at brian@badgervolleyball.org or call/text him at 414-313-9055.

All of the Park N Sun net systems include:

- Two poles
- Net
- Rope tiedowns
- Metal stakes
- Court lines with stakes

Renters would be responsible for all set-up, take-down and transportation (to and from the Badger Region office) of the outdoor nets rented from the Badger Region Volleyball Association. (Mallets/hammers to anchor stakes are not included)

Nets will be rented at the following rates:

- 1-4 nets: \$25/weekend/net

- 5-8 nets: \$20/weekend/net
- 9-12 nets: \$15/weekend/net

If you or club agrees to rent three or more times throughout the summer, an additional 20 percent will be taken off your rental rate. Individuals must be a member in good standing with of the Badger Region in order to rent the outdoor nets.

Payment in full must be made with credit card prior to rental. An electronic invoice will be sent in advance of the pick-up date.

All materials must be returned to the Badger Region office in the condition in which they were rented to the club or individual. Damaged net systems will result in a fine of \$250 to the credit card on file.

Please schedule rental of nets at least three weeks in advance of the date needed for the net systems.

Have questions? Contact Brian Sharkey at brian@badgervolleyball.org.

Nominations being sought for those 'Caught Doing Good'

The Badger Region is looking forward to opportunities to feature athletes, coaches, officials and fans in the pages of our newsletter and on our website and social media.

Here's where you can come in. You can also nominate someone for our Caught Doing Good program.

This is for those fans, coaches, officials, players, etc. who go above and beyond.

They are the ones who stay after practice and clean the gym. They are the ones who put in the extra half hour to help after practice if someone needs added training. They are the ones you go to get stuff done.

Let's recognize the folks who are doing things the right way and setting a great example for athletes at all events. And let's encourage one another to pay it forward and discourage poor sportsmanship or behavior on the court or off.

To fill out a CDG nomination and see previous winners, click

here: <https://badgervolleyball.org/caught-doing-good/>. All winners and the folks who nominated them will get Badger Region apparel and other swag.

The deadline for nominations will be May 31, 2023.

REQUENTLY ASKED QUESTIONS

› kids need to try out fore playing beach?

No tryouts for beach. Everyone plays. That's right. Simply sign up and play. No camps, clinics, fees required. Badger Region is all about the fun for players actually playing volleyball.

› are there specialized positions in beach?

Nope. Only a left and a right side. Most beach plays are well-rounded and can hit, dig and block.

› do you wear kneepads?

On the sand it's not uncommon. If you have had knee injuries or you just feel most comfortable diving for shots with pads on, then you should not hesitate to wear knee pads or a kneecap while playing.

› are beach courts the same size as indoor?

Beach doubles courts are much smaller. Indoor courts are 60' x 30' and beach courts are 26'3" x 52'6". A taller court ensures rallies last longer.

GET EXCITED TO PLAY BEACH VOLLEYBALL

Beach volleyball has become one of the most popular summertime activities. Why play beach volleyball? Well, it's fun! Benefits of the sport include conditioning, cardiovascular exercise, improved agility, and provides outdoor social activity.

Traditionally when athletes are first playing in the sand, they need to get their "sand legs." Many athletes notice the sand is constantly shifting under their feet

forcing quick position changes using muscles which are often neglected. Over time sand volleyball players develop excellent endurance and stamina.

Getting outside is really good for mental and physical health.

Beach volleyball provides the opportunity to get outside, enjoy some fresh air, exercise, and make new friends. Get a group of kids together, grab a court at a local park and play. Pick up games can be great for kids who are new to the game.

ADVICE FROM THE EXPERTS

Olympian **April Ross** said there is one big difference going from the indoor game to the beach. "It's the mental endurance. "You can't have any mental letdown. You have to approach each one with intensity and emotion."

When asked if he believes indoor players should also play sand volleyball, former Stanford University

women's coach **John Dunning** says yes and that "playing sand can help a player in a variety of ways, including enjoying the game for a longer time and benefiting from the mental aspect of playing on a two-person team."

INDOOR VS. OUTDOOR DIFFERENCES

Outdoors: Beach/grass/sand rule

Games played to 21 points

Playing conditions (wind, sun, texture of the sand) are up to Mother Nature to decide. That's why you switch sides every seven points

Teams consist of two players. There's no bench and no substitutions. Once you step on the court, you don't get to leave until the game is decided

Very tight rules on double contacts — therefore you'll see less overhand setting taking place. No setting is allowed on first contact

Beach players must use their palm, locked or curled fingers to hit a short shot over the net

You can penetrate under the net provided you do not interfere with your opponent

Antennas are rarely used except in pro competition. In the absence of antennas, the posts act as antennas for all purposes except player contact

Indoor volleyball rule

Games played to 25

Athletes don't have weather to contend with. You've got four walls, a roof and good lighting

Indoors, you have six athletes on the court at one time and bench players who can sub in (in addition to a libero).

Rules regarding double contacts (especially on first contacts) are more relaxed to allow for longer rallies

Open-hand tips are allowed.

Center line violations can occur if an athlete causes a safety risk or gains an advantage going past the center line

Indoor rules strictly stipulate the use of antennas to define the crossing space over the net.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
