## ROLE OF THE REGION

What is the Badger Region?

We are not the Badger Region- al. That makes it sound like we are part of a first-round match of a high school state tournament.

The Badgers. No. We aren't affiliated the University of Wisconsin.

We are the Badger Region, and we bring together 20,000 (yes 20,000) athletes, coaches and officials who make volleyball happen in the state of Wisconsin under the umbrella of USA Volleyball.

USAV sets the standards, structure and the framework that the 40 Regions of USA Volleyball operate within. USA Volleyball is also the only entity in the United States that can send a team to the Olympics, NORCECA or other FIVB Championship Events.

Regional Volleyball Associations, like the Badger Region, are the grassroots, localized, customer-support hubs throughout the country.

The Regions work very closely with the clubs because the clubs are working with athletes, coaches and officials in the community.

If you were to compare it to the structure of the U.S. government, USA Volleyball operates at a federal level and the Regions would operate at the state level. Regions have to follow the lead of USA Volleyball on lots of policies, but

can set up the infrastructure at the local level that is best for each part of the country.

When someone has a concern, they contact their Region office.

If there are athletes that want to play and just compete at the local level, the Region can direct them to those resources. If they want to travel the country and compete on the national stage, Regions can point athletes and coaches to those types of opportunities, too.

Wisconsin has again seen some amazing growth in the world of boys and girls volleyball at the high school level. In 2023, 61 boys volleyball teams were represented at the high school level in Wisconsin. For 2024, there will be at least 66 teams represented on the survey with more slated to come on board. On the girls side, 482 high schools offered a female program last year.

Nationally, boys volleyball is seeing massive growth thanks to states such as Colorado, Indiana, Utah and Michigan recently sanctioning volleyball at the high school level.

Look for more numbers at the high school level on Page 2.

## Try Volleyball a huge success

USA Volleyball offered free memberships to any athlete who wanted to try volleyball Sept. 13-Sept. 22 as part of the #TryVolleyball2024 initiative. The Badger Region hosted a free clinic as part of the post-Olympic excitement at St. Marcus School on the north side of Milwaukee. There, close to 100 athletes ranging in age from 5 to 14 joined the Badger Region staff and volunteers for an awesome afternoon of learning volleyball and having a ton of fun. All of this is a lead up to National Volleyball Day which is Sept. 23. See more Photos on Page 5.

# WISCONSIN BOYS HIGH SCHOOL VOLLEYBALL

# TOP 10

SPONSORED BY THE BADGER REGION & FRISCO MO APPAREL

## About The Poll

All boys volleyball coaches in the state have the ability to vote in the weekly Boys High School Volleyball Top 10 Poll sponsored by the Badger Region Volleyball Association and Frisco Mo Apparel

Coaches must submit their rankings to Madison Memorial head coach Eric Peterson (epeterson2@madison.k12.wi.us) via Google Form by 4 p.m. Monday for consideration in the poll that will be released later in the week.

Results are made available to coaches in weekly emails and are available on the WisSports.net website for review prior to voting.

For the 2024 season, 68 programs in Wisconsin are eligible for post-season competition in the WIAA tournament. An additional four programs offer boys volleyball but are not sanctioned yet as full varsity sport at their school.

## Week 3 Poll

The Week 3 Poll for the Wisconsin Boys High School Top 10 Poll has shown there is a lot of parity in among the top teams in the state this year.

Germantown is holding onto the top spot despite not earning as many first place votes as Middleton this week.

Middleton won the Tosa East tournament over Cedarburg on

Saturday after Cedarburg knocked off Germantown in the semifinals.

Sussex Hamilton continued its rise in the poll

after winning its second tournament in a row -- this week's being the Waukesha North Invite.

Homestead also saw a nice jump this week thanks to winning the Westosha Central tournament and defeating Cedarburg in a conference match last week.

The Top 10 poll is the official poll of the Wisconsin Boys High School Volleyball Coaches Association, which is in its first year as an association.

## Tryouts on the horizon

Now that the high school season has begun, tryouts in the Badger Region are on hold (for now).

Tryouts and the opportunity to accept an offer to a club ended at 11:59 p.m. Sunday, Aug. 18 so as to not conflict with the start of the high school season which began Monday, Aug. 19.

Next up for tryouts: Athletes 14-and-under can have tryouts starting on Oct. 5. Any athlete who receives an offer from a club on Oct. 5 or 6 has until 7 p.m. Oct. 7 to commit to the club before the club has the right to go to the next person on its waiting list.

Athletes 15-and-older will be able to try out for clubs in the Badger Region on Nov. 16 (the weekend after the conclusion of the WIAA state tournament). The first commitment date is 7 p.m. Nov. 18 for athletes who receive an offer on Nov. 16 or 17.

### Next year's tryouts

Looking ahead to the following season: Retention will take place starting July 1 and go through July 13 (one week after the final day of nationals).

Next year, summer tryouts can take place starting July 19, 2025. The first commitment date is Aug. 1 for the 2025-26 season. Tryouts and offer acceptances can go up to 11:59 p.m. Aug. 17, the day prior to the 2025 high school season.

Clubs do not have to have summer tryouts. Contact your club about specific dates/plans.

Have questions about tryouts? Email us at [membership@badgervolleyball.org](mailto:membership@badgervolleyball.org).

## 'Second Chance' tryouts taking place Oct. 10, Nov. 20

The Badger Region will host its annual "Second Chance" tryouts on two dates this coming fall.

All tryouts will take place after the fall tryout period opens at an athlete's respective age level.

The first will take place from 6 to 8 p.m. on Thursday, Oct. 10, at the New Berlin SportsPlex, 2900 S. 163rd St., for female athletes who are 14-and-under.

Any athlete 15-and-older can join

the Region for a Second Chance tryout from 6:30 to 8:30 p.m. on Wednesday, Nov. 20, at the OAW Indoor Sports Complex located at 5330 S. Racine Ave.

At the Second Chance tryouts, the Badger Region, with the help of athletes from Milwaukee Gold and Milwaukee Dive, will run athletes through a clinic designed to help them improve their skills and showcase their talents to club directors

who will be in attendance.

Club directors from Milwaukee area clubs who are still looking for athletes will be allowed to make offers to athletes via email or phone calls after the conclusion of the Second Chance tryout.

In years past, the Second Chance tryout has average 50-60 athletes participating in the tryout with 10-12 clubs in attendance. Most athletes who attend the tryout receive

an offer by the end of the week.

Registration for the Second Chance tryouts will open on Oct. 6 and Nov. 17, respectively.

Athletes looking for a club will also be allowed to put their name on the Badger Region website's list of Athletes Seeking Clubs after Oct. 5, too. [Check out those lists, here.](#)

Have questions about the Second Chance Tryouts? Contact Brian Sharkey at [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org).

# Are your program's jerseys compliant?

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect.

To do so, the Region's Ref Chair is encouraging club directors or coaches to send images if there is any concern that numbers

are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

The photos of the jerseys should not be of any junior athlete in uniform.

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of

the color of the outline of the number.

If your team plans to attend a USA Volleyball Boys or Girls Qualifier or National Championship, the Region can also help direct you as to the proper channels you must go through to get jersey waivers.

Questions? Email [sara@badgervolleyball.org](mailto:sara@badgervolleyball.org).

## Save the dates: Age divisions set for Region's marquee events

It's going to be an exciting time at the Baird Center in downtown Milwaukee in February and March of 2025.

That is when and where the Badger Region will host four weekends of competition in the upcoming year. And with the expansion of the Baird Center, the facility will be able to hold more than 50 courts every weekend. That means for the Badger Region Championships, we will be back under one roof and all in two weekends.

Check out the dates and some of the details of some of the Badger Region's marquee event slated for 2025. All dates and age divisions are subject to change.

# E.S.P. program recognizes sportsmanship

Wristbands given to adults being great role models

Sportsmanship isn't a suggestion for the way every player, coach and fan should act on and off the court. It is the expectation.

To reward those exceeding expectations, the Badger Region wants to recognize you.

The 2023-24 marks the eighth year of the "Enthusiastic. Supportive. Positive." program that highlights volleyball enthusiasts, specifically fans in the stands.

Last season, tournament directors throughout the Region distributed close to 250 wristbands at events and tournaments, and we're looking to hand out hundreds more.

Then, at the Badger Region Championships in March, anyone (adults/spectators only) who was awarded a wristband throughout the year, will be eligible to

win Badger Region gear such as T-shirts, water bottles, mini volleyballs and other cool swag.

So, what do you have to do to get a wristband? Support your team! Be positive! Show character that would make your mother proud!

Get a little crazy. Go the extra mile. Recognize the good in your team and others. Get excited when even your opponent makes an amazing save or play.

Don't cheer against another team. Don't taunt or heckle officials, coaches or players. Don't give your club or team a black eye with any "in your face" cheers.

Tournaments directors, Badger Region staff, referees and board members are watching.

If you get one of our colorful "ESP" wristbands, come to the Championship Desk at the Badger Region Championships for prizes. Anyone with a wristband gets one entry into the raffle. At certain points throughout the day, names will be drawn for the prizes.

The only rule: You must have your wristband on at the time of the raffle to receive your gift.

The ESP program is designed for recognition of adults or other individuals who are "outside the

lines." Winners do not have to be Badger Region members.

If you have someone like an athlete, coach or official who is deserving of recognition, please fill out a nomination form for the "Caught Doing Good" program (see below).

If you are a tournament director running a Badger Region/USA Volleyball-sanctioned event in 2023-24 and would like to request a package of wristbands for distribution at your event, contact Program Director Brian Sharkey at [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org).

# Nominate a coach, player or ref for special honor

'Caught Doing Good' now in its third year

The Badger Region knows there are great people who play, coach or officiate our great sport in the state of Wisconsin.

Now is the time to take a second to recognize him or her for their outstanding character, leadership or contribution to the Badger Region or others in the volleyball community.

[To nominate an individual for "Caught Doing Good," click here.](#)

The 2023-24 season marks the third year of the "Caught Doing Good" program in the Badger Region.

In the past, some examples of folks Caught Doing Good were of coaches who took on multiple teams in the wake of situations at their clubs. There have also been coaches who have gone above and beyond to lead by example and be amazing role models for the young men and young

women in their care.

Some athletes have been recognized by their coaches or fellow teammates for their amazing show of sportsmanship, leadership and character on and off the court.

Just because a coach or athlete receives an award does not mean they are the best

coach in the Badger Region or the best athlete. It means they are doing things the right way, and in ways we can all learn from.

Nominees for "Caught Doing Good" will be eligible to win awesome prize packs from the Badger Region including Molten packs or volleyballs, Badger Region apparel or other Badger Region-branded items such as fanny packs, coolers or mugs. Winners will also be featured in future Badger Region newsletters.

"We want to recognize the people on the court who are models of behavior for the rest of us," said Program Director Brian Sharkey. "It's much friendlier on our end to celebrate the positive stories than have to reprimand those that don't have their priorities in order."

Only Badger Region members (coaches, club directors, tournament directors, athletes, administrators, athletic trainers, etc.) are eligible for Caught Doing Good awards.

# Region to host 2025 All-Star event

## Madison chosen for elite tournament

The Badger Region Volleyball Association and the Madison Area Sports Commission (MASC) are proud to announce that Madison and the Alliant Energy Center have been selected to host the 2025 USA Volleyball All-Star Championships. The event will feature All-Star teams from across the country composed of boys and girls players, ages 13-19, as well as officials from around the nation.

Madison was selected from various sites around the country by the participating programs. It will be the first time a Wisconsin city has hosted this prestigious event since 2010, when it was held in Wisconsin Dells.

"We are very proud to be hosting this event in Madison, in partnership with the Madison Area Sports Commission," said Badger Region Volleyball Executive Director and Commissioner Jennifer Armson-Dyer. "Wisconsin is a hotbed of volleyball at all levels, and to be able to bring this event to our local community is very rewarding. We're looking forward to showing the juniors volleyball community what Madison is about."

The event will take place in late July 2025 at the Alliant Energy Center and will feature four days of competition across nine divisions of both boys and girls volleyball ages 13-19. More than 100 participating teams will come from the 40 regions of USA Volleyball along with international teams. In the past, teams from Canada, Puerto Rico, Australia and New Zealand have attended the event.

Not only will players, coaches and spectators travel from around the nation to Madison, but officials will as well. Each participating region sends experienced and up-and-coming officials to work the event and be mentored by world-class officials to gain experience officiating high-level volleyball and making important connections to further

The Badger Region brought home two gold medals from the All-Star event in Tulsa in 2022. The event will be in Madison in 2025.

their careers.

"Hosting this prestigious tournament in Madison -- one of the epicenters of volleyball has long been a goal of ours," said Jamie Patrick, VP of MASC. "We look forward to continuing our partnership with Badger Region Volleyball to welcome athletes and their fans to compete, cheer and enjoy volleyball and activities in the indelible Madison."

The All-Star Championships started in the early 2000s as an elite-level event designed to showcase regional All-Star teams along with national training teams from USA Volleyball, the national governing body of volleyball in the United States, in multiple age divisions. Previously known as the High Performance Champion-

ships, the USA Volleyball All-Star Championships are now run by the Regional Volleyball Associations and it is endorsed by USA Volleyball as a "pipeline" event to the National Team Development and Olympic programs.

Badger Region has been a participant in this event since its beginning, capturing 15 medals, including most recently a bronze medal by the U13 girls team last July in Fort Lauderdale, Fla., and a gold medal by the U17 boys and U17 girls teams in 2022 in Tulsa, Okla. The 2024 All-Star Volleyball Championships will be held in Des Moines, Iowa in mid-July. Information about the Badger Region Volleyball tryouts for the 2024 teams will be announced in January.

For more information on the event as details emerge, please visit the Badger Region website at [www.BadgerVolleyball.org](http://www.BadgerVolleyball.org) or contact us at [membership@badgervolleyball.org](mailto:membership@badgervolleyball.org).

# How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
