Region to host coaching event at WIAA tourney

Heading to Green Bay for the WIAA Boys and Girls State Volleyball Tournament?

Then make sure to visit the Coaches Education and Networking sessions planned from 10 a.m. to 4 p.m. Thursday, Nov. 7, in the Resch Expo Center located adjacent to the site of the state volleyball championship tournament.

Some of the scheduled speakers and attendees include Ryan Theis (Marquette University women's volleyball head coach), BJ Bryant (St. Norbert College men's and women's head coach) and Jenny Johnson (Director of Education at USA Volleyball).

"When we started thinking about re-shaping coaches education for the upcoming year/season, we knew we wanted to get back to more in-person offerings and thought about how and where we might attract a large group of coaches at one time," said Badger Region Director of Education Scott Spiess. "Having a presence at the WIAA state tournament makes sense for a lot of reasons. It's the celebration of a season where state champions are crowned, but also an event well attended by aspiring coaches, veteran coaches and everyone in-between; many high school coaches also coach club volleyball or may be thinking about it. Much like the officials short-

age, we can't have teams and state champions without quality coaching. The Badger Region wants to let ALL volleyball coaches know that we can be a resource for them and help connect them with many more (USAV, AOC, AVCA to name a few)."

"We felt it was important to bring coaching education and information to the WIAA Boys and Girls State Tournament to meet people where they're at and show them that we want to be a partner to promote and further volleyball in the state of Wisconsin," said Badger Region Executive Director Jennifer Armson-Dyer. "We're all in it for the same reason - to improve the

game and also give the student-athletes the best possible experience. We also wanted to bring in some big names to speak to give coaches a wide range of information that would fit where they are at and the information they would want to know. We hope everyone stops by to say hi, meet our staff and our panel and speak with Dr. Jenny Johnson from USA Volleyball, who is an incredible person and resource in coaching education."

There is no fee to attend the networking event or Q&A sessions. Food will be served throughout the day.

Boys Open House, VLA match Oct. 30

The annual Badger Region Boys Volleyball Open House will take place from 6 to 8 p.m. on Wednesday, Oct. 30, at Pius XI High School in Milwaukee.

The event will allow boys clubs in the Badger Region the opportunity to detail their available roster spots for the 2024-25 club season as well as any summer programming, private lessons, facility rentals, beach opportunities and other offerings in their clubs.

The idea of having the boys open house will allow boys of all ages who might be finding volleyball in high school the opportunity to come out and ask questions of potential future clubs in the Badger Region.

The open house is expected to draw at least 10 clubs from in and around southeast Wisconsin to the Pius gymnasium that evening.

In addition to the ability to meet coaches and club directors from the various clubs, the Milwaukee Gold men's semi-professional team will take on Madison Inferno in a Volleyball League of America exhibition match starting at 6 p.m.

The event is free to attend. Giveaways and raffles will take place throughout the evening. Questions? Email brian@badgervolleyball.org.

Second Chance Tryouts a success

The Badger Region's Second Chance tryout held Oct. 10 was attended by 32 athletes and seven clubs who were still looking for girls to fill out their 14s, 13s and 12s rosters.

Thank you to all of the athletes, parents and clubs who came out for the event that included clinicians from Milwaukee Gold semi-professional men's team.

Look for our 15-and-older Second Chance tryout Nov. 20 at the OAW Sports Complex in New Berlin. Details to follow.

Lunch & Learn discusses sportsmanship

Won80 owner and founder Mark Horbinski, a partner of the Badger Region that focuses on improving sportsmanship across all levels of sports, will be part of a Facebook Live event set for 11:30 a.m. Thursday, Oct. 17.

The live event can be found on the [Badger Region Facebook page](#), where it will also be archived for future viewing.

Over the past few three years, Horbinski has partnered with the Badger Region to do in-person, interactive sportsmanship presentations to club volleyball programs all around the state of Wisconsin.

Cost of bringing Won80 into a club's gym is covered by the Badger Region Volleyball Association.

On Thursday's Lunch & Learn, Horbinski will join the Badger Region staff to talk about some of the following topics:

- * Athlete/coach expectations
- * Coach/official sportsmanship
- * Parent/coach interactions
- * And much more

Over the past decade, the Badger Region has had a handful of sportsmanship programs to highlight the individuals doing it right.

The Badger Region looks to continue those programs including

- * E.S.P. (Enthusiastic. Supportive. Positive.). This program allows club directors and tournament directors the chance to give kudos to parents and spectators going above and beyond.
- * Caught Doing Good allows anyone to highlight a coach or player going above and beyond to show positive sportsmanship.

¹ Players who were born on or after July 1, 2005 and a high school student in the twelfth (12th) grade or below during some part of the current academic year are eligible to compete in 18 & under.

² Female Only - Players who were born on or after July 1, 2006, (who are defined as 18 & under by the USAV Age Definition) and are in the 11th grade for the current academic year are eligible to compete in 17 & under. (This exception is based on recruiting concerns for 11th grade girls previously required to participate in girls 18's qualifiers and the 18's GINC.)

³ Male Only - Players who were born on or after July 1, 2010, OR players who were born on or after July 1, 2009 (15 years or younger) who shall neither have completed nor are in a grade higher than the eighth (8th) grade during the current academic year are eligible to play in the 14 & Under division. This exception is based on the net height difference of 7'4 1/8" to 7'11 5/8" between the 14 and Under Division to the 15 and Under Division.

⁴ Male Only - Players who were born on or after July 1, 2010 (14 years or younger) who shall neither have completed nor are in a grade higher than the seventh grade (7th) during the current academic year are eligible for a Region approved waiver to compete in the boys 13's age group.

⁵ Male Only - Players who were born on or after July 1, 2011 (13 years or younger) who shall neither have completed nor are in a grade higher than the sixth grade (6th) during the current academic year are eligible for a Region approved waiver to compete in the boys 12's age group.

Three Sports Engine tips for current members

1. Club assignment request comes from club via a Sports Engine-generated email; you won't see your club/team anywhere in Sports Engine except for on the membership unless your club has rostered you on a team AND the club uses Sports Engine for its website software. For help on this, [click here](#).

2. Do you feel you have purchased the wrong membership for yourself or your athlete? Assuming the membership that you need is the SAME price as the one you already paid for, you can add it free of charge by going through the purchase process again and adding it to the correct profile.

3. Make sure all data is accurate in Sports Engine including date of birth and graduation year. Club directors use this information when assigning teams and making rosters. Inaccurate data can lead to athletes getting assigned to teams they are not eligible for without a waiver (which are not always approved).

'Second Chance' tryouts Nov. 20

The Badger Region will host its 15-and-older "Second Chance" tryouts from 6:30 to 8:30 p.m. on Wednesday, Nov. 20, at the OAW Indoor Sports Complex located at 5330 S. Racine Ave.

At the Second Chance tryouts, the Badger Region, with the help of athletes from Milwaukee Gold and Milwaukee Dive, will run athletes through a clinic designed to help them improve their skills and showcase their talents to club directors who will be in atten-

dance. Club directors from Milwaukee area clubs who are still looking for athletes will be allowed to make offers to athletes via email or phone calls after the conclusion of the Second Chance tryout.

In years past, the Second Chance tryout has average 50-60 athletes participating in the tryout with 10-12 clubs in attendance. Most athletes who attend the tryout receive an offer by the end of the week.

Registration for the Second Chance tryouts will open Nov. 17.

Athletes looking for a club will also be allowed to put their name on the Badger Region website's list of Athletes Seeking Clubs after Oct. 5, too. [Check out those lists, here.](#)

Have questions about the Second Chance Tryouts? Contact Brian Sharkey at brian@badgervolleyball.org.

Region seeks volunteers for events, content

With a full slate of events scheduled for the 2024-25 season, the Badger Region is looking for your help.

Don't know service rotations or how to train your setters to play defense? That's OK. Almost ALL of our volunteers are off the court.

For the upcoming season, ambassadors will be used in a variety of ways:

- * Helping at team check-in at a Badger Region-hosted tournament
- * Assisting at an All-Star tryout or Youth Clinic handing out t-shirts and helping

direct traffic

- * Handing out Badger Region swag prizes at events
- * Taking photos for social media and our website at our big events
- * Helping manage our medals and trophies at our marquee tournaments

And, maybe if you're not able to help in person, we are always looking for e-ambassadors. Those individuals are the ones who might help write articles for our newsletters or share all our posts on their own social media platforms. Ambassadors are rewarded with Badger Region t-shirts, backpacks, and other cool merchandise for being a part of our team.

Tryouts ahead

Athletes 15-and-older will be able to try out for clubs in the Badger Region on Nov. 16 (the weekend after the conclusion of the WIAA state tournament). The first commitment date is 7 p.m. Nov. 18 for athletes who receive an offer on Nov. 16 or 17.

Next year's tryouts

Looking ahead to the following season: Retention will take place starting July 1 and go through July 13 (one week after the final day of nationals).

Next year, summer tryouts can take place starting July 19, 2025. The first commitment date is Aug. 1 for the 2025-26 season. Tryouts and offer acceptances can go up to 11:59 p.m. Aug. 17, the day prior to the 2025 high school season.

Clubs do not have to have summer tryouts. Contact your club about specific dates/plans.

WISCONSIN BOYS HIGH SCHOOL VOLLEYBALL

TOP 10

SPONSORED BY THE BADGER REGION & FRISCO MO APPAREL

About The Poll

All boys volleyball coaches in the state have the ability to vote in the weekly Boys High School Volleyball Top 10 Poll sponsored by the Badger Region Volleyball Association and Frisco Mo Apparel.

Coaches must submit their rankings to Madison Memorial head coach Eric Peterson (ep-peterson2@madison.k12.wi.us) via Google Form by 4 p.m. Monday for consideration in the poll that will be released later in the week.

Results are made available to coaches in weekly emails and are available on the WisSports.net website for review prior to voting.

For the 2024 season, 68 programs in Wisconsin are eligible for post-season competition in the WIAA tournament. An additional four programs offer boys volleyball but are not sanctioned yet as full varsity sport at their school.

Have questions about boys volleyball in the state of Wisconsin? Contact Brian Sharkey (head boys coach at Kenosha Indian Trail High School) at brian@badgervolleyball.org.

Week 7 Poll

The Week 7 poll has arrived. It features Sussex Hamilton holding on to the spot for about the four straight week.

There was limited movement over the past two weeks as there have only been a handful of invitations and only a few matches that featured Top 10 opponents in the same gym.

This weekend (Oct. 18) will feature a handful of conference tournaments and an invite at Neenah High School.

Regionals begin Oct. 23 for some and Oct. 25 for the remainder of the state that doesn't require a play-in game.

The Top 10 Poll is the official poll of the Wisconsin Boys High School Volleyball Coaches Association, which is in its first year as an association.

ABOUT THE BADGER REGION VOLLEYBALL ASSOCIATION

The Badger Region Volleyball Association promotes initiatives for safe, structured and fun life-long volleyball experiences. The vision of the Badger Region is to grow the number of players, coaches, officials, spectators and other volleyball enthusiasts; provide the highest quality volleyball experience in education, training, and competition; and to provide advocacy, support, recognition and administration to the volleyball community. Any high school in Wisconsin that adds boys volleyball will receive up to \$1,000 grant from the Badger Region to help offset first-year costs. Visit the Badger Region website at www.badgervolleyball.org. The Badger Region is not affiliated with the WIAA.

Build a professional relationship with fellow refs

Building strong relationships with your assignor is essential for referees to enjoy a positive working environment. Effective communication, mutual respect, and professionalism are important in fostering these relationships.

Understanding relationships

Strong relationships with assignors and your region are very beneficial.

Referees who maintain good relationships with their fellow referees are more likely to receive assignments that match their skills and preferences.

Positive relationships can help open doors to training opportunities, mentorship, and career advancement.

Having a good support system in place is important when you head into the club season. Make friends and don't be afraid to reach out for support after a rough day.

Effective communication

Clear and consistent communication is key.

Be available. Make sure you are reachable via phone or email. Respond promptly to communication from your assignor and never hesitate to reach out.

Regular Updates: Keep your assignor informed about your availability, any changes in your schedule, and any issues that pop

up during assignments.

Professionalism

Maintaining a high level of professionalism is crucial in establishing trust and respect.

*** Punctuality:** Always arrive on time for your assignments. Reach out to your assignor or tournament director if you need clarification on your start time.

*** Dress Code:** Take pride in how you look and always adhere to the appropriate USAV dress code for referees. Present yourself professionally and always wear your USAV patch for your assigned Badger Region/USAV events.

*** Be prepared:** Always come prepared for your assignments, knowing the rules of your specific tournament by reading the pre-tournament information and any unusual requirements/rules for the tournament. If you have questions about the event, talk to the tournament/site director when you arrive at the tournament.

Reliability

Reliability is a valued trait in referees, and it strengthens your reputation with your assignor and your region.

Commitment: Show your commitment by being willing to take on additional assignments when needed and helping out in emergencies.

If you need help or a change in your assignment, please reach out to your assignor as soon as possible.

Building relationships

Building a positive relationship with your assignor and members of your region can lead to a more supportive and collaborative environment.

Take the time to know your assignor and other officials on a personal level. Simple gestures like greeting them warmly or introducing yourself to a new official can go a long way.

Participate in meetings and training sessions organized by

your region. Your involvement shows that you are committed to being part of the team.

Demonstrating a commitment to continuous learning and improvement can enhance your standing with your assignor and your region.

Request and attend available mentoring: Regular mentoring and training sessions help keep your skills updated.

Stay Informed: Keep up with the latest rules and regulations and review ref modules or the USAV rule book as well as the annual critical rules and points of emphasis. Being knowledgeable enhances your credibility and effectiveness as a referee.

Conflict resolution

Effectively managing and resolving conflicts is essential in maintaining strong relationships.

*** Address Issues Right Away:** If conflicts arise, address them promptly and professionally. Avoid letting issues fester and escalate. Reach out to your region and assignor to clear up rumors and misunderstandings.

*** Open Dialogue:** Engage in open and honest dialogue with your assignor and region to resolve any misunderstandings or disagreements.

*** Stay Calm and level headed:** Maintain your composure and professionalism during conflicts. Demonstrating a calm approach can facilitate better resolutions and effective communication.

USA Volleyball improves benefits for refs at its events

USA Volleyball is implementing a pay increase and improved benefits for officials working at its owned 2024-25 indoor and beach volleyball events.

At the top end of the pay scale, an FIVB or continental-level international official will make \$57 per match as a first (R1) or second (R2) referee at USA Volleyball-owned indoor events.

Among the USA Volleyball-owned events that will see a pay and benefits

increase in 2025 are all three 2025 girls junior national championships, the Boys Junior National Championship and the Beach National Championship.

At an indoor event, a national-level official will make \$55 per match as an R1 or R2.

The increase goes all the way to assigned line judges, who will make \$43 per match.

On the beach, a head referee will earn \$400 for a full day of work and \$300 for a half day. A Tier C Zonal Monitor will see a pay increase to \$300 for a full day and \$250 for a half day.

“Officials are essential for USA Volley-

ball events,” said Pati Rolf, USA Volleyball director, officials. “Our officials are some of the best in the world. They take time away from their families and other activities and sometimes other jobs to work our events and they should be compensated for that.”

Among the other improved benefits for officials at USA Volleyball-owned events will be \$20 a day for food along with free snacks and water, free housing and free Mizuno gear.

There is also a bonus structure for officials who work multiple events.

GET TO KNOW THE BADGER REGION

Whether you're a longtime coach or official or you're a parent of a new athlete, the Badger Region is here for you. The mission of the Badger Region is to promote initiatives for safe, structured and fun life-long volleyball experiences.

That could be competition and training. That could be education and training. That could be grassroots or High Performance programs. We encourage all our members to take time to get to know the folks who handle the day-to-day operation of the Region (staff) and set the Region's policies (board of directors).

BADGER REGION BOARD

HOLLY JABLONOWSKI

Role: Southeast Rep/President

Elected: 2016

Favorite part about Badger Region: My favorite part about being part of Badger Region is it's something that you can be involved in for your entire life. There is programming and opportunities from youth all the way to adult. And, we're a pretty kick butt region that many other regions look to for advice and model after.

SCOTT BLACKMON

Role: Coaches Rep/Vice President

Year elected: 2019 as VP, 2004 as at-large rep

Best part about being a part of Badger Region: I have watched this Region grow so much since arriving on this board. In my time I have watched this region grow from one person's home, to a two-person office about half the size of a volleyball court, to where we are at now; a five-person staff and an office large enough for full Board meetings and individual offices.

The growth has been slow, steady and nothing short of amazing. I could not be more proud of our staff and this region.

BEAU RATH

Role: Badger Region Treasurer

Year appointed: February 2022

Best part about being a part of Badger Region: Seeing and participating in discussions with the board and staff truly discussing what is best for volleyball in the state of Wisconsin and what Badger Region can do to help further these initiatives.

CURTIS MADSON

Role: Metro Milwaukee Rep/Secretary

Year elected: 2018

Best part about being a part of Badger Region: The best part of being part of the Badger Region all of the different opportunities it provides and supports such as our Power Leagues, Badger Boys Series, Qualifier, Championships, Beach, High Performance and many more.

BADGER REGION STAFF

JENNIFER ARMSON-DYER

Role: Executive Director / Commissioner

Year hired: Hired 2009 as the membership services coordinator, promoted to Director of Operations in 2011 with a title change to Executive Director and Commissioner in 2019.

Best part about being a part of Badger Region: The people and their successes. I love watching the littles get serves over, teams winning or coming back from being down, a player having success after doing what a coach asks, a tournament coming together after months of planning, the smiles after a successful clinic or an official getting their advancement or doing really well in a tough match. Volleyball has made such a huge impact on my life that I love being able to give others opportunities to have the same.

BRIAN SHARKEY

Role: Sr. Director Communications & Programming

Year hired: 2014

Best part about being a part of Badger Region: The volleyball community is amazing and has given me so much that I am proud to give back to the athletes, coaches and officials who make all of what we do possible. Not going to lie, volleyball defines a large portion of who I am, and I'm super excited to be enjoying this journey in the Badger Region.

SCOTT SPIESS

Role: Director of Operations & Education

Year hired: 2017

Best part about being a part of Badger Region: The people. The staff & board helping all members make the connection to USA Volleyball. The clubs and coaches providing opportunities for kids to play. The athletes and officials showing their love for the game.

KELLY LEHMAN

Role: Director of Events

Year hired: 2018

Best part about being a part of Badger Region: The competitions!!! Competing/Coaching/Spectating/Officiating the game of volleyball is fun for all age levels and all skill levels. The Badger Region has amazing events that accentuate that enjoyment for tens of thousands of people in our state every year.

SARA VOIGT

Role: Director of Officials and Youth Development

Year hired: 2015

Best part about being a part of Badger Region: My favorite thing about Badger Region is meeting new people and sharing my love for volleyball.

BADGER REGION BOARD OF DIRECTORS (CONTINUED)

JON ELLMANN

Role: At Large Rep

Elected: 2023

Best part about being a part of Badger Region: The People: Staying connected with all of the amazing coaches, directors, and administrators in the region is not only fulfilling and fun, but also a professionally enriching experience. It's tank filling to give back to a region that provides so much to so many.

JASON WHEELOCK

Role: At-Large Rep

Elected: 2023

Favorite part about Badger Region: Being part of the Badger Region and on the Board of Directors gives me another way that I can help kids fall in love with the sport that has given me everything. I can share my thoughts and concerns on a wide variety of issues with the sole purpose of giving kids the best experience they can have in the sport of volleyball. I also enjoy working alongside such passionate and dedicate individuals that make up the Badger Region Board of Directors as well as the Executive Committee.

BREIT NELSON

Role: Northwest Rep

Year elected: 2021

Best part about being a part of Badger Region: The best part of being a part of Badger Region is the community and connections. The volleyball world is tight-knit, and the Badger Region is a great example of that. I love being part of an organization that works to support athletes, coaches, and clubs through events and programs designed to build skill, and game IQ and promote a strong sense of teamwork. I also really like the emphasis we've put on sportsmanship in efforts to create a positive environment for everyone involved in a game we all love!

AMY REAVES DALEY

Role: Northeast Rep

Year elected: 2022

Best part about being a part of Badger Region: The camaraderie amongst other coaches, directors, and the region staff, as well as the strong reputation the region has for talented teams/athletes.

KYLEIGH NEAVE

Role: At Large Rep

Elected: 2024

Best part about being a part of Badger Region: I love being a part of Badger Region because all staff and board members focus on making volleyball fun and competitive. They work hard to gather feedback in order to better their indoor and outdoor events in order to allow for more athletes to play the game of volleyball. I appreciate that the Badger Region prioritizes coaching education for coaches and finds creative ways to teach volleyball to those who are new to the sport!

What is the importance of the Badger Region?

What is the Badger Region?

If you were to compare it to the structure of the U.S. government, USA Volleyball operates at a federal level and the Regions would operate at the state level. Regions have to follow the lead of USA Volleyball on lots of policies, but can set up the infrastructure at the local level that is best for each part of the country.

When someone has a concern, they contact their Region office.

If there are athletes that want to play and just compete at the local level, the Region can direct them to those resources. If they want to travel the country and compete on the national stage, Regions can point athletes and coaches to those types of opportunities, too.

Regional Volleyball Associations, like the Badger Region, are the grassroots, localized, customer-support hubs throughout the country.

USA Volleyball sets the standards, structure and the framework that the 40 Regions of USA Volleyball operate within.

USA Volleyball is also the only entity in the United States that can send a team to the Olympics, NORCECA or other FIVB Championship Events.

The Regions work very closely with the clubs because the clubs are working with athletes, coaches and officials in the community.

Regions are on the ground level where that 10-year-old gets his first serve over the net, or where an official advances to her next level or where a coach receives mentoring that helps them guide future ballers.

With common goals, we all work greatly to create a positive and productive experience for anyone who is in our Region or crosses paths with it.

USA Volleyball names John Speraw as new president and CEO

USA Volleyball has announced that it has hired John Speraw to serve as its president and Chief Executive Officer, starting on Oct. 1.

Prior to becoming the eighth CEO of USA Volleyball, Speraw has served as head coach of the U.S. Men's National Team since 2013 and has been part of the team's leadership for almost two decades.

"My journey with USA Volleyball began in 1997 as an assistant coach for the World University Games team," Speraw said. "Reflecting on the teams, players, staff and experiences over the years, I am filled with immense gratitude. To now be entrusted with the opportunity to lead USA Volleyball as president and CEO is both a profound honor and deeply humbling.

"This journey has deepened my passion for this organization—representing our country, advancing the sport, and elevating the experience for everyone involved. I am sincerely grateful to the USA Volleyball Board of Directors for this honor and responsibility. I am ready to lead. I am ready to serve."

Speraw's coaching and leadership roles within USA Volleyball bring a unique blend of executive vision, recognition of the diverse and complex ecosystem of the sport and expertise in the international scene.

His strategic vision of the sport's evolution is critically important as USA Volleyball prepares for the 2028 Olympic and Paralympics in Los Angeles and the 2032 Games in Brisbane, Australia.

Speraw is also the founder of First Point Volleyball, an organization dedicated to supporting the growth of boys' and men's volleyball across the country.

"The search group composed of key USA

Volleyball Board members concluded that John's overall sport acumen, demeanor, energy, leadership skills and vision for the future of the sport were clearly aligned with the Board's expectations for the next generation of USA Volleyball," said USA Volleyball Board of Directors Chair Dave Gentile

"Along with the full Board and staff, I look forward to working closely with John over the next several years as he prepares the organization for LA28 and beyond. We are also confident that John's leadership will always have the mission and role of USA Volleyball as the National Governing Body of the sport of volleyball at the forefront of all we do."

Besides coaching the U.S. Men's Team, Speraw has been the head men's volleyball coach at UCLA since 2012 and guided the Bruins to the NCAA Division I-II National Championship in 2023 and 2024.

Are your program's jerseys compliant?

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect.

To do so, the Region's Ref Chair is encouraging club directors or coaches to send images if there is any concern that numbers are not con-

trasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes. The photos of the jerseys should not be of any junior athlete in uniform.

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

If your team plans to attend a USA Volleyball Boys or Girls Qualifier or National Championship, the Region can also help direct you as to the proper channels you must go through to get jersey waivers.

Save the dates: Age divisions set for Region's marquee events

It's going to be an exciting time at the Baird Center in downtown Milwaukee in February and March of 2025.

That is when and where the Badger Region will host four weekends of competition in the upcoming year. And with the expansion of the Baird Center, the facility will be able to hold more than 50 courts every weekend. That means for the Badger Region Championships, we will be back under one roof and all in two weekends.

Check out the dates and some of the details of some of the Badger Region's marquee event slated for 2025. All dates and age divisions are subject to change.

Badger Region Power League

- * Jan. 11-12, 2025
- * Feb. 8-9, 2025
- * April 5-6, 2025

The new 12's Division will be Jan 12, Feb. 9, and April 5-6.

The Elite Divisions will only be Jan. 11-12 and Feb. 8-9.

Badger Region Championships

- * **March 15-16, 2025:** G12, G13, G14, G17, G18
- * **March 22-23, 2025:** G10s, G11s, G15s, G16s and all boys

Badger Region Girls Qualifier

* **March 1-2:** Featuring bid divisions for Girls 11s-18s. The 2024 event featured 110 teams in Madison

Dale Rohde Memorial Boys Tournament

* **Feb. 22-23:** Featuring over 130 boys teams from across the upper Midwest. The 2024 event featured 130 teams in Madison.

Also to note, the Dale Rohde Tournament and Badger Region Qualifier will coincide with the

Milwaukee Auto Show taking place in the adjacent halls of the Baird Center. How cool is that!?

Badger Boys Series

The Badger Boys Series dates are Dec. 6 and Jan. 17 at the Milwaukee Sting Center. This program is designed for boys U12 and U13 teams that is low-cost, low-travel and low-stress. It is also used as a Badger Region officials training opportunity.

E.S.P. program recognizes sportsmanship

Wristbands given to adults being great role models

Sportsmanship isn't a suggestion for the way every player, coach and fan should act on and off the court. It is the expectation.

To reward those exceeding expectations, the Badger Region wants to recognize you.

The 2023-24 marks the eighth year of the "Enthusiastic. Supportive. Positive." program that highlights volleyball enthusiasts, specifically fans in the stands.

Last season, tournament directors throughout the Region distributed close to 250 wristbands at events and tournaments, and we're looking to hand out hundreds more.

Then, at the Badger Region Championships in March, anyone (adults/spectators only) who was awarded a wristband throughout the year, will be eligible to

win Badger Region gear such as T-shirts, water bottles, mini volleyballs and other cool swag.

So, what do you have to do to get a wristband? Support your team! Be positive! Show character that would make your mother proud!

Get a little crazy. Go the extra mile. Recognize the good in your team and others. Get excited when even your opponent makes an amazing save or play.

Don't cheer against another team. Don't taunt or heckle officials, coaches or players. Don't give your club or team a black eye with any "in your face" cheers.

Tournaments directors, Badger Region staff, referees and board members are watching.

If you get one of our colorful "ESP" wristbands, come to the Championship Desk at the Badger Region Championships for prizes. Anyone with a wristband gets one entry into the raffle. At certain points throughout the day, names will be drawn for the prizes.

The only rule: You must have your wristband on at the time of the raffle to receive your gift.

The ESP program is designed for recognition of adults or other individuals who are "outside the

lines." Winners do not have to be Badger Region members.

If you have someone like an athlete, coach or official who is deserving of recognition, please fill out a nomination form for the "Caught Doing Good" program (see below).

If you are a tournament director running a Badger Region/USA Volleyball-sanctioned event in 2023-24 and would like to request a package of wristbands for distribution at your event, contact Program Director Brian Sharkey at brian@badgervolleyball.org.

Nominate a coach, player or ref for special honor

'Caught Doing Good' now in its third year

The Badger Region knows there are great people who play, coach or officiate our great sport in the state of Wisconsin.

Now is the time to take a second to recognize him or her for their outstanding character, leadership or contribution to the Badger Region or others in the volleyball community.

[To nominate an individual for "Caught Doing Good," click here.](#)

The 2023-24 season marks the third year of the "Caught Doing Good" program in the Badger Region.

In the past, some examples of folks Caught Doing Good were of coaches who took on multiple teams in the wake of situations at their clubs. There have also been coaches who have gone above and beyond to lead by example and be amazing role models for the young men and young

women in their care.

Some athletes have been recognized by their coaches or fellow teammates for their amazing show of sportsmanship, leadership and character on and off the court.

Just because a coach or athlete receives an award does not mean they are the best

coach in the Badger Region or the best athlete. It means they are doing things the right way, and in ways we can all learn from.

Nominees for "Caught Doing Good" will be eligible to win awesome prize packs from the Badger Region including Molten packs or volleyballs, Badger Region apparel or other Badger Region-branded items such as fanny packs, coolers or mugs. Winners will also be featured in future Badger Region newsletters.

"We want to recognize the people on the court who are models of behavior for the rest of us," said Program Director Brian Sharkey. "It's much friendlier on our end to celebrate the positive stories than have to reprimand those that don't have their priorities in order."

Only Badger Region members (coaches, club directors, tournament directors, athletes, administrators, athletic trainers, etc.) are eligible for Caught Doing Good awards.

Have questions about Caught Doing Good? Email brian@badgervolleyball.org or call 414-313-9055.

Region to host 2025 All-Star event

Madison chosen for elite tournament

The Badger Region Volleyball Association and the Madison Area Sports Commission (MASC) are proud to announce that Madison and the Alliant Energy Center have been selected to host the 2025 USA Volleyball All-Star Championships. The event will feature All-Star teams from across the country composed of boys and girls players, ages 13-19, as well as officials from around the nation.

Madison was selected from various sites around the country by the participating programs. It will be the first time a Wisconsin city has hosted this prestigious event since 2010, when it was held in Wisconsin Dells.

"We are very proud to be hosting this event in Madison, in partnership with the Madison Area Sports Commission," said Badger Region Volleyball Executive Director and Commissioner Jennifer Armson-Dyer. "Wisconsin is a hotbed of volleyball at all levels, and to be able to bring this event to our local community is very rewarding. We're looking forward to showing the juniors volleyball community what Madison is about."

The event will take place in late July 2025 at the Alliant Energy Center and will feature four days of competition across nine divisions of both boys and girls volleyball ages 13-19. More than 100 participating teams will come from the 40 regions of USA Volleyball along with international teams. In the past, teams from Canada, Puerto Rico, Australia and New Zealand have attended the event.

Not only will players, coaches and spectators travel from around the nation to Madison, but officials will as well. Each participating region sends experienced and up-and-coming officials to work the event and be mentored by world-class officials to gain experience officiating high-level volleyball and making important connections to further

The Badger Region brought home two gold medals from the All-Star event in Tulsa in 2022. The event will be in Madison in 2025.

their careers.

"Hosting this prestigious tournament in Madison -- one of the epicenters of volleyball has long been a goal of ours," said Jamie Patrick, VP of MASC. "We look forward to continuing our partnership with Badger Region Volleyball to welcome athletes and their fans to compete, cheer and enjoy volleyball and activities in the indelible Madison."

The All-Star Championships started in the early 2000s as an elite-level event designed to showcase regional All-Star teams along with national training teams from USA Volleyball, the national governing body of volleyball in the United States, in multiple age divisions. Previously known as the High Performance Champion-

ships, the USA Volleyball All-Star Championships are now run by the Regional Volleyball Associations and it is endorsed by USA Volleyball as a "pipeline" event to the National Team Development and Olympic programs.

Badger Region has been a participant in this event since its beginning, capturing 15 medals, including most recently a bronze medal by the U13 girls team last July in Fort Lauderdale, Fla., and a gold medal by the U17 boys and U17 girls teams in 2022 in Tulsa, Okla. The 2024 All-Star Volleyball Championships will be held in Des Moines, Iowa in mid-July. Information about the Badger Region Volleyball tryouts for the 2024 teams will be announced in January.

For more information on the event as details emerge, please visit the Badger Region website at www.BadgerVolleyball.org or contact us at membership@badgervolleyball.org.

Badger Region

The Badger Region Volleyball Association is one of the 40 Regions of USA Volleyball. A 501c3 nonprofit organization, Badger Region's mission is to promote

initiatives for safe, structured and fun life-long volleyball experiences. Badger Region is one of the nine largest regions in the country, with more than 16,000 members across the state of Wisconsin. Our membership ranges from introductory and grassroots teams at 10 and under through semi-professional adult teams associated with the Volleyball League of America. We provide educational opportunities for players, coaches, club directors, tournament directors, officials and fans, and prioritize child safety and safe, welcoming environments. Please visit www.BadgerVolleyball.org to learn more about Badger Region Volleyball.

About the Madison Area Sports Commission:

The Madison Area Sports Commission (MASC) is the greater Madison area's official sports marketing organization. Launched by Destination Madison in 2010, MASC is charged with elevating the recognition and awareness of the impact of sports tourism on the regional economy while serving the unique needs of the sports tourism business. How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
