ALL-STAR DETAILS ANNOUNCED

Registration for tryouts now open

Registration is now open for the Badger Region High Performance All-Star teams [To register, click here.](#)

All-Star tryouts are the first step for any elite athlete interested in representing the Badger Region at the 2025 All-Star Championships taking place in Madison, Wis., this summer.

Cost of tryouts is \$40 and includes an HP All-Star t-shirt. The tentative dates for tryouts are as follows:

* **Feb. 28:** Tryouts for Girls U17 and U15 at the Baird Center (day before Badger Region Qualifier)

* **March 14:** Tryouts for Girls U13 at the Baird Center (day before the young girls weekend at Badger Region Championships)

* **March 21:** Tryouts for all boys at the Baird Center (day before the boys weekend at Badger Region Championships)

Age definitions are as follows:
U19: Born in 2006-07 (boys only)
U17: Born in 2008-09
U15: Born in 2010-11
U13: Born in 2012-13 (girls only)

Can't make an in person tryout? The Badger Region will allow athletes to send in a highlight video on a case-by-case basis. Registration for tryouts is still required. Email brian@badgervolleyball.org for details on video tryouts.

No Badger Region HP All-Star events will conflict with summer tryouts in the Badger Region in 2025.

How the All-Star process works

The best of the best are coming together in 2025 for the Badger Region High Performance All-Star program.

That means elite athletes from clubs around the state. Top coaches from colleges and clubs from around the Badger Region. And all topped with an international tournament experience not offered at any other level of junior volleyball.

And that starts with our first round of announcements having to do with tryouts, training dates and overnight camps that lead up to the culminating USA All-Star Championships where Badger Region All-Star teams will compete against a full slate

of other Region All-Star teams and All-Star teams from international delegations.

Teams being offered this year include Boys U19, U17 and U15. Girls teams being offered this year are U17, U15 and U13. (See birth year age definitions at right.)

Who should attend tryouts? The Badger Region HP All-Star program is for elite athletes who want to be considered for a spot on an international volleyball team representing the state of Wisconsin. All participants must be a current Badger Region member.

This will be the first time the Region is offering a Boys U15 team that will travel the All-Star Championships. Last year, the Badger Region was the only Region to field a U15 boys team and the squad had nobody to compete against at the Des Moines event last summer.

What makes All-Star Championships so unique?

Every two years, the age definitions for what athletes are eligible for are updated by the FIVB – the international governing body of the sport of volleyball. These age definitions govern High Performance All Star programs across all Regions and USA Volleyball because the culminating event that takes place in late July is, in fact, an international tournament and therefore makes the age definitions consistent throughout the world.

Therefore, the Badger Region must abide by these age definitions, which don't allow for age waivers. Every athlete in the Badger Region is eligible for our High Performance All Star program for at least four (or five) years – so make sure to take advantage of this time when it's your turn.

U19: Born in 2006-07 (boys only)

U17: Born in 2008-09

U15: Born in 2010-11

U13: Born in 2011-12 (girls only)

*Note, these are not the same age definitions as used by USA Volleyball, as the All-Star program is an international program and must follow FIVB age regulations.

Are there other divisions other than those listed above?

Yes, there are. However, due to numbers, space, costs and previous interest in other age levels, the Region elects to only enter teams in the divisions listed above.

Why are the age divisions set up like this?

The FIVB sets up the birth-year based age definitions. In the US, age definitions are set up mostly by "grade in school." However, other countries do not have the same school systems as the U.S., thus making the birth-year based age definitions a more level playing field. In addition, (think Olympics) in many international competitions, a team (or athlete) must qualify for an international championship in the first year of the cycle and then compete for the title in the second year of the cycle. We do not have to qualify for the USA All-Star Championships, but the model is set up in the two-year cycles just like other international events.

If my son or daughter is no longer eligible for any of the Badger

Different rule sets

The USA All-Star Championships serves as an opportunity for athletes to play under international rule sets, and allows referees training to become international officials the opportunity to officiate under such rules.

What are some of the key rule differences?

- * The libero CANNOT serve. The libero is designated for the match
- * Substitutions are limited (A team only gets six subs per set – except for the Girls U13 division)
- * If the ball hits the ceiling it is out.
- * Only the head coach can stand.
- * We play best 3 out of 5 sets. Usually, two matches per day are played.
- * There is a technical timeout when the first team reaches 13 if a timeout isn't called prior to that. Teams must wait outside the court until they are brought back into the court by the R2.
- * Simultaneous contact by two players counts as two hits.

How does this impact athletes like those in the Badger Region High Performance All-Star program?

It is vital that some athletes be accomplished utility players. A middle who can hit on the right side. Outsides and right sides who can hit on both pins. Liberos who can be worked in as a back-up setter if needed. Outside hitters need to play all six rotations due to the lack of substitutions allowed in international events. All of these are considerations our coaches must look at when building their final rosters. Also, because of the program goals and the limited substitutions, there will not be equal playing time.

Region age divisions, what other options does he or she have?

Some of the highest-level athletes may receive invitation to the USA Volleyball National Team Development Program and participate in such events as NORCECA Championships, FIVB World Championships and other USAV-based programs. Since those programs are only for the most elite of athletes, we suggest looking into elite-level collegiate camps at schools around the country. Competing in beach

and grass events will also make the athlete a much better, well-rounded player.

Madison is the site for the 2025 USA All-Star Championships? What do we know about this event?

The event starts July 23 with team check-in and practices at the Alliant Energy Expo Center and will feature four days of competition from July 24-27. There will be nine divisions of both boys and girls volleyball ages 13-19. More than 100 participating teams will come from the 40 regions of USA Volleyball along with international teams. In the past, teams from Canada, Puerto Rico, Australia and New Zealand have attended the event.

Athletes will find their own transportation to Madison and meet at the Expo Center the morning of July 23. The athletes will stay together in the Clarion Hotel (attached to the convention center) for the duration of the event. Athletes will be released to

their parents the evening of July 27 at the conclusion of team competition, meetings and activities.

If an athlete makes the final roster that travels to Madison, what additional costs are there?

Final costs are still being worked on as hotel and tournament arrangements are still pending. Cost will include hotel (three to a room), a warmup shirt (to keep) as well program costs for jerseys, coaches, etc. The only other costs that athletes incur is the cost of food that they purchase at the grocery stores or at restaurants. Only a limited number of team meals are provided by the Badger Region.

What are some other perks of being part of the Badger Region All-Star team?

- * Athletes learn the rules and procedures of international volleyball competition
- * Film study and opponent scouting using film review
- * Mental health discussions and tools shared with athletes
- * Opportunity to work with elite coaches from around the Badger Region with ties to multiple colleges and universities

Do parents have to come to the tournament?

The Badger Region staff and its coaches serve as chaperones for the event. If the parents attend the All-Star Championships, they are allowed to take their son or daughter back home (or to another destination) at the conclusion of the tournament, after giving written permission.

Parents are welcome to attend the event, but are asked to understand that the teams will be doing things as a group, so there are minimal, if any, chances to have "family time." This experience differs greatly from a traditional club tournament where players go with their family when the team isn't playing. During the All-Star Championship, it isn't a vacation. It is expected that the team remains together, preparing for matches and taking care of themselves with sleep, hydration and food. There may be opportunities for parents to help coordinate team meals or a few events or outings, but that would be for the entire group at a time determined by the coaches.

New Dig Pink experience coming to club volleyball

The Badger Region is excited to partner with the Side-Out Foundation to launch The Perfect Pass, a new Club Dig Pink campaign. The Perfect Pass harnesses the power of the volleyball community to tackle two critical challenges in breast cancer research: funding and patient

participation. Through this program, volleyball teams nationwide commit to

raising funds and, more importantly, expanding awareness of research opportunities for metastatic breast cancer (MBC) patients.

Clinical research is vital for advancing cancer treatment, yet connecting patients with innovative research opportunities remains a significant challenge, especially in communities underserved by major cancer centers.

The Perfect Pass offers a unique solution by activating volleyball's vast community networks. Participating teams distribute pink ribbons with information cards at tournaments, challenging other teams to join the fundraising effort while helping spread awareness about Side-Out's research program through their personal and community connections.

Interested in getting involved? Reach out to learn how your club can engage, give back, and enhance the player experience.

Won80 talks FAVES and Supportsmanship

Heading into the holidays, WON80 paid a visit to three more Badger Region Volleyball clubs - Luminosity, 414 Milwaukee Elite and Hartford Volleyball Club. Both Luminosity and Hartford Volleyball Club heard the message of My Coach Plays FAVES which is centered on the traits of being faithful to your team, accountable to yourself and others, versatile as a student of the sport, and an enthusiastic team player.

In his return trip to Milwaukee 414 Elite, Mark shared his new message titled, Becoming Your Own G.O.A.T, with a focus on growth mindset, optimism, accountability and thoughtfulness. Great attendance and energy at all three presentations!

Thank you to all three clubs for being amazing hosts and to Badger Region Volleyball for your sponsorship of WON80.

Have questions? Email kelly@badgervolleyball.org for more information.

Are your program's jerseys compliant?

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect.

To do so, the Region's Ref Chair is encouraging club directors or coaches to send images if there is any concern that numbers are not contrasting enough with the dominant color of the

jersey or if a jersey is not contrasting for libero purposes. The photos of the jerseys should not be of any junior athlete in uniform.

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

If your team plans to attend a USA

Volleyball Boys or Girls Qualifier or National Championship, the Region can also help direct you as to the proper channels you must go through to get jersey waivers.

E.S.P. program recognizes sportsmanship

Wristbands given to adults being great role models

Sportsmanship isn't a suggestion for the way every player, coach and fan should act on and off the court. It is the expectation.

To reward those exceeding expectations, the Badger Region wants to recognize you.

The 2023-24 marks the eighth year of the "Enthusiastic. Supportive. Positive." program that highlights volleyball enthusiasts, specifically fans in the stands.

Last season, tournament directors throughout the Region distributed close to 250 wristbands at events and tournaments, and we're looking to hand out hundreds more.

Then, at the Badger Region Championships in March, anyone (adults/spectators only) who was awarded a wristband throughout the year, will be eligible to

win Badger Region gear such as T-shirts, water bottles, mini volleyballs and other cool swag.

So, what do you have to do to get a wristband? Support your team! Be positive! Show character that would make your mother proud!

Get a little crazy. Go the extra mile. Recognize the good in your team and others. Get excited when even your opponent makes an amazing save or play.

Don't cheer against another team. Don't taunt or heckle officials, coaches or players. Don't give your club or team a black eye with any "in your face" cheers.

Tournaments directors, Badger Region staff, referees and board members are watching.

If you get one of our colorful "ESP" wristbands, come to the Championship Desk at the Badger Region Championships for prizes. Anyone with a wristband gets one entry into the raffle. At certain points throughout the day, names will be drawn for the prizes.

The only rule: You must have your wristband on at the time of the raffle to receive your gift.

The ESP program is designed for recognition of adults or other individuals who are "outside the

lines." Winners do not have to be Badger Region members.

If you have someone like an athlete, coach or official who is deserving of recognition, please fill out a nomination form for the "Caught Doing Good" program (see below).

If you are a tournament director running a Badger Region/USA Volleyball-sanctioned event in 2023-24 and would like to request a package of wristbands for distribution at your event, contact Program Director Brian Sharkey at brian@badgervolleyball.org.

Nominate a coach, player or ref for special honor

'Caught Doing Good' now in its third year

The Badger Region knows there are great people who play, coach or officiate our great sport in the state of Wisconsin.

Now is the time to take a second to recognize him or her for their outstanding character, leadership or contribution to the Badger Region or others in the volleyball community.

[To nominate an individual for "Caught Doing Good," click here.](#)

The 2023-24 season marks the third year of the "Caught Doing Good" program in the Badger Region.

In the past, some examples of folks Caught Doing Good were of coaches who took on multiple teams in the wake of situations at their clubs. There have also been coaches who have gone above and beyond to lead by example and be amazing role models for the young men and young

women in their care.

Some athletes have been recognized by their coaches or fellow teammates for their amazing show of sportsmanship, leadership and character on and off the court.

Just because a coach or athlete receives an award does not mean they are the best

coach in the Badger Region or the best athlete. It means they are doing things the right way, and in ways we can all learn from.

Nominees for "Caught Doing Good" will be eligible to win awesome prize packs from the Badger Region including Molten packs or volleyballs, Badger Region apparel or other Badger Region-branded items such as fanny packs, coolers or mugs. Winners will also be featured in future Badger Region newsletters.

"We want to recognize the people on the court who are models of behavior for the rest of us," said Program Director Brian Sharkey. "It's much friendlier on our end to celebrate the positive stories than have to reprimand those that don't have their priorities in order."

Only Badger Region members (coaches, club directors, tournament directors, athletes, administrators, athletic trainers, etc.) are eligible for Caught Doing Good awards.

Have questions about Caught Doing Good? Email brian@badgervolleyball.org or call 414-313-9055.

Region to host 2025 All-Star event

Madison chosen for elite tournament

The Badger Region Volleyball Association and the Madison Area Sports Commission (MASC) are proud to announce that Madison and the Alliant Energy Center have been selected to host the 2025 USA Volleyball All-Star Championships. The event will feature All-Star teams from across the country composed of boys and girls players, ages 13-19, as well as officials from around the nation.

Madison was selected from various sites around the country by the participating programs. It will be the first time a Wisconsin city has hosted this prestigious event since 2010, when it was held in Wisconsin Dells.

"We are very proud to be hosting this event in Madison, in partnership with the Madison Area Sports Commission," said Badger Region Volleyball Executive Director and Commissioner Jennifer Armson-Dyer. "Wisconsin is a hotbed of volleyball at all levels, and to be able to bring this event to our local community is very rewarding. We're looking forward to showing the juniors volleyball community what Madison is about."

The event will take place in late July 2025 at the Alliant Energy Center and will feature four days of competition across nine divisions of both boys and girls volleyball ages 13-19. More than 100 participating teams will come from the 40 regions of USA Volleyball along with international teams. In the past, teams from Canada, Puerto Rico, Australia and New Zealand have attended the event.

Not only will players, coaches and spectators travel from around the nation to Madison, but officials will as well. Each participating region sends experienced and up-and-coming officials to work the event and be mentored by world-class officials to gain experience officiating high-level volleyball and making important connections to further

The Badger Region brought home two gold medals from the All-Star event in Tulsa in 2022. The event will be in Madison in 2025.

their careers.

"Hosting this prestigious tournament in Madison -- one of the epicenters of volleyball has long been a goal of ours," said Jamie Patrick, VP of MASC. "We look forward to continuing our partnership with Badger Region Volleyball to welcome athletes and their fans to compete, cheer and enjoy volleyball and activities in the indelible Madison."

The All-Star Championships started in the early 2000s as an elite-level event designed to showcase regional All-Star teams along with national training teams from USA Volleyball, the national governing body of volleyball in the United States, in multiple age divisions. Previously known as the High Performance Champion-

ships, the USA Volleyball All-Star Championships are now run by the Regional Volleyball Associations and it is endorsed by USA Volleyball as a "pipeline" event to the National Team Development and Olympic programs.

Badger Region has been a participant in this event since its beginning, capturing 15 medals, including most recently a bronze medal by the U13 girls team last July in Fort Lauderdale, Fla., and a gold medal by the U17 boys and U17 girls teams in 2022 in Tulsa, Okla. The 2024 All-Star Volleyball Championships will be held in Des Moines, Iowa in mid-July. Information about the Badger Region Volleyball tryouts for the 2024 teams will be announced in January.

For more information on the event as details emerge, please visit the Badger Region website at www.BadgerVolleyball.org or contact us at membership@badgervolleyball.org.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
