There will be two tournament desks:

* SOUTH TOURNAMENT DESK will be for courts 1-27. If you are scheduled on courts

1-27 you will be returning your scoresheet to the South desk. You will be using Ref Room A close to court 12. This ref room will have a water jug so don't forget your water bottle for filling. We will also provide snacks and coffee. Please make sure you use the correct ref room so we have space for everyone.

Ref room B will have snacks and coffee. Please make sure you use the correct ref room so we have space for everyone.

Score Entry/Scoresheets

The event will be using remote score entry so don't forget your phones! I will have a phone charging area in the ref rooms if you need it. **DO NOT HOLD ONTO SCORESHEETS** after you've entered the scores for the match. Return scoresheets to the appropriate tournament desk once warm ups have started for the next match.

Warm ups, special rules, etc.

USA-Volleyball Rules will be followed. **NO TEST RULES ARE IN EFFECT**. Test rules, for example the libero and sub test

rules are **NOT IN EFFECT**.

Remember, USAV libero rules are different from JVA and AAU so please know your rules before your first match. If you have questions do not hesitate to ask during the morning ref meeting.

Work teams will need to be on time and provide a second referee, two line judges, a scorekeeper, a libero tracker, and a scoreboard operator. A coach must stay in the court area during all work assignments.

Step-In Rule

The Badger Region Step In Rule will be used for the 12-Wisconsin and 12-Badger divisions only with no step in for 12-Club or 12-Open divisions. Here is a link to the step-in rule for your review ([click here](#)). Please make sure you are familiar with the rule before you start your day.

*Reminder if either team reaches 20 points during a non-deciding set or 12 points during a deciding set, **BOTH TEAMS** must serve behind the endline.

Ball handling: To be absolutely clear: no changes to USAV rules have been made and double contacts will still be called for Badger Region Champs.

Team jerseys

If you notice any questionable jersey designs, contrast issues, etc please allow the match to play as scheduled. After your match, please make note and send Sara an email (after you are done officiating). We have a lot of club jersey waivers which have been sent to the club directors but I am unsure if those waivers were passed down to the coaches. Many of the coaches may not have copies of the waivers so I am happy to help with this if an issue arises.

Other notes:

* If there is a child on the bench, please ask the head coach to show you the completed waiver. They must have a waiver completed at the beginning of the event. If they do not have a waiver the child cannot be on the bench.

* Have other questions? Let us know ASAP by emailing sara@badgervolleyball.org. Do not call the Region office after 11 a.m. on March 13 as staff will be setting up at the Baird Center after that.

Make sure you are in good standing

Some updates to Region's policy

The Badger Region board of directors approved in May 2023 an "In Good Standing" policy for all officials to be assignable, receive mentoring and be eligible for advancement moving forward.

The criteria listed below must be met on an annual basis. If a referee cannot meet these criteria, he or she may apply to the Officials Chair for a one-season waiver to become inactive, which will not be unreasonably withheld.

- * Annual USAV Full Membership
- * Annual USAV background screen
- * Annual SafeSport Training
- * Complete and submit annual Independent Contractor and W-9 forms

- * Completion of all required USAV modules assigned by Badger Region

- * Attend the Badger Region officials' pre-season meeting (in person or online) or a new referee clinic.

- * Conduct themselves with an appropriate level of professionalism and are not under review or hold sanctions from the Badger Region Ethics & Eligibility Committee.

- * Official has been assigned to and has or will be working two separate Badger Region-hosted events (Badger Region Championships, Badger Region Power League, Badger Region Qualifier, Dale Rhode) or WVC events or other single day-approved events. An official can also meet requirements by working in a mentoring role at two events.

- The official does not have to work both days of a two-day event.

- The two days need to be from two separate events.

If an official does not officiate or mentor (as assigned by the Badger Region Assignor) at least two Badger Region tournaments in a season, they will be considered to have been inactive for that season (and until they have officiated a tournament in a subsequent season). If an official is inactive for two successive seasons, the official will be required to repeat the certification process, beginning with clinic attendance and practical evaluation before being reinstated and officiating for the Region again. Failing to meet one or more of the following Good Standing criteria will result in "Conditional" status which will affect tournament officiating fees

and possibly eligibility to receive assignments. Conditional officials are not considered to be in good standing.

**Please note that if an official would like to run for a leadership position (board, advisory or other committee) within the Badger Region, they must be in good standing as of April 15 and must maintain that standing throughout their service.

Good standing for advancement

To be considered for advancement AND in good standing in the Badger Region, the referee must meet the criteria outlined below. If a referee cannot meet these criteria they will not be eligible for advancement.

**Please note if an official was not in good standing the previous season, they cannot apply for advancement the following season due to the timing of regional camp acceptance and the regional advancement training process. An official must be in good standing the season before they apply for advancement the following season.

- * Annual USAV Full Membership
- * Annual USAV background screen
- * Annual Safe Sport Training
- * Complete and submitted annual IC/W 9 forms
- * Complete and submit annual Independent Contractor and W-9 forms

- * Official has been assigned to and has or will be working two separate Badger Region-hosted events (Badger Region Championships, Badger

Region Power League, Badger Region Qualifier, Dale Rhode) or WVC events or other single day-approved events. An official can also meet requirements by working in a mentoring role at two events.

- * Maintain certification as a USAV Scorer.

- * Attend the Badger Region officials' pre-season meeting (in person or online) or a new referee clinic.

- * Conduct themselves with an appropriate level of professionalism and are not under review or hold sanctions from the Badger Region Ethics & Eligibility Committee.

Rationale

- * Important in order to prevent officials from just using the region to become certified and not officiate region events.

- * Perception is that our officials pool increases but the number of "assignable officials" does not.

- * Help the region retain officials to use in region events

- * Officials mentoring can only be scheduled for those officials working Badger Region sanctioned events. Mentors can be scheduled for officials during these events to help make those officials better. All mentors are scheduled by the officials assignor and paid for by Badger Region. Our goal is to make our region officials better and help them towards advancement.

- * This is common in most regions and helps unify policies region to region.

Badger Region advancement protocol

The purpose of advancement through officiating ranks is important as it offers recognition and reward for the hard work that officials put in throughout their careers. As the interest in advancement grows, so does the evaluation pressure and process to pass through both the regional and USA Volleyball (USAV) National processes. Badger Region has developed the following procedures and criteria in order to help prepare officials to become successful in passing their evaluations.

Officials must be In Good Standing, per the approved policy, the season prior to their request for advancement the following season. For a copy of the In Good Standing policy, please visit the Badger Region website or contact the region official's chair or board rep.

Junior National & National Candidates:

This process is handled by USAV, but Badger Region is asked to provide input on candidates. Based on the number of candidates accepted per region by USAV, the region budget allows for two reimbursements of \$500 per candidate upon successful advancement per season to recognize and reward. Please note that the official must be in good standing to be considered for advancement.

If there are more than two candidates per season seeking advancement, the region will form an advisory committee composed of the ref chair, ref liaison and other interested parties to make a decision on the ranking of candidates that will be given to USAV. Junior National and National Ad-

vancement Applications are available on the USAV website and all questions should be directed to USAV. Additional information about the process and timeline is as follows:

- * The final decision on selection and advancement is made by USAV

- * To decide the ranking of a candidate, the Region takes many factors into consideration including good standing status, dedication to region events, interactions with other officials, ability to manage calendar, etc.

- * The Region will confirm receipt of a candidate's application and will copy the candidate on the submission to USA Volleyball, per their process.

- * The Region will send completed applications, regional ranking and all other information to USAV as requested by their process.

Regional Candidates:

This process is handled within the Badger Region and will be an application process for the 2024-25 season. The Region will form a Regional Advancement Committee composed of interested parties, including but not limited to Regional, Junior National and

National officials within the Region as well as the Region Liaison to USAV and the Badger Region Ref Chair. The committee will select up to eight (8) candidates for Regional advancement per season, as outlined by the process below:

- * An application form will be live on the Badger Region website on October 1st and will be included in subsequent Ref Bulletins. Interested officials have until 11:59pm CT on Dec. 31 to apply as an "interested in advancement" candidate. Candidates must be available for the 2025 Regional Advancement Camp January 11th and 12th and the 2025 advancement weekend of April 5-6 at the Badger Region Power League to be considered.

- * Mentors will be assigned to all interested candidates seeking advancement in the months of January and February, based on their designated in-region availability. Officials interested in advancement must be available for Badger Region events and open to mentoring and feedback. The goal will be to give all interested candidates the same number of mentoring opportunities, but this depends on availability of both the mentor and the candidate.

- * Mentors will send reports

of their sessions with interested candidates to the Advancement Committee after completing mentoring opportunities to give guidance on whether an interested candidate is ready (both in the R1 and R2 positions). These reports must be submitted after each mentoring session, but no later than the end of March.

- * The Committee will finalize selection and an email will be sent to all candidates no later than the first week of April on their status of acceptance. If an official is not accepted as one of the candidates for Regional Advancement, the region will work with that individual to help set them up for success the following year (if possible).

- * The candidates who are accepted to the April 5-6 Advancement Weekend will be given continued mentoring opportunities, if available, before evaluation weekend.

- * Selected Regional Advancement candidates will be assigned both days of Advancement Weekend and will be paid for half of the matches they are assigned.

- * Advancement coaches (mentor officials) will be assigned advancement camp and advancement weekend by the Badger Region, who will be given guidance from the advancement committee on qualities and skills to be considered during the evaluation process.

- * At the end of the second day of Advancement Weekend, the advancement coaches will decide if a candidate has been successful. Upon successful advancement, the new Regional candidate will receive a Regional Patch and be celebrated in the upcoming issues of the Badger Beacon newsletter and Ref Bulletin.
