# Volleyball Hall of Fame celebrates 130 years

Did you know that 2025 marks the 130th anniversary of volleyball? While February 9 is commonly believed to be the sport's official birthday, historical evidence suggests otherwise. In fact, William G. Morgan—volleyball's inventor—didn't arrive in Holyoke, Massachusetts, until August 30, 1895, as reported by newspapers of the time. Adding to the mystery, a fire at the Holyoke YMCA destroyed many of the original records, making it challenging to pinpoint the exact date volleyball was created.

The International Volleyball Hall of Fame (IVHF) is dedicated to honoring the legends, recognizing the greats, and preserving the history of volleyball. But to continue this important work,

support is needed.

The IVHF operates with just one full-time employee, relying heavily on the dedication of volunteers and interns. With a modest annual budget of \$400,000, the IVHF Museum is maintained, and numerous events are hosted to celebrate and educate the volleyball community.

To commemorate volleyball's 130th anniversary, a fundraising campaign has been launched to raise \$130,000 by May 15, 2025. These funds will help secure a matching grant from the state of

Massachusetts, allowing for:

- \* The design of a new beach volleyball exhibit
- \* Hiring an archivist to collect artifacts and stories that document the sport's global history
- \* Preparations for volleyball's 150th anniversary in 2045

Any club, coach, official, or family member passionate about preserving volleyball's history is encouraged to contribute whatever they deem appropriate! However we encourage various regions to contribute \$130 or more in honor of this milestone. All contributors will receive special recognition at the 2025 RVA Meetings in Denver.

Not able to donate right now? There are still ways to help! Spreading the word is just as important—use #VB130 on social

media and tag @IVHFOfficial to raise awareness. Additionally, celebrate the incredible members of the volleyball community by sharing their stories using #RecognizeVolleyGreats, or submit them for a chance to be featured.

Stay connected by subscribing to the IVHF Insider e-newsletter for updates on new exhibits, historical milestones, and ways to get involved.

Every contribution—whether through donations, social media engagement, or sharing volleyball's history—ensures that the legacy of this incredible sport continues for generations to come. Celebrate 130 years of volleyball and be a part of preserving its rich history!

## Make sure your jerseys are compliant before ordering

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect. To do so, the Region's Ref Chair is encouraging club directors or coaches to send images if there is any concern that numbers are not contrasting enough with the

dominant color of the jersey or if a jersey is not contrasting for libero purposes. The photos of the jerseys should not be of any junior athlete.

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

If your team plans to attend a USA Vol-

leyball Boys or Girls Qualifier or National Championship, the Region can also help direct you as to the proper channels you must go through to get jersey waivers.

## Fiserv Forum to host Marquette/Wisconsin match Sept. 17

Fiserv Forum will host an NCAA Division I Women's Volleyball match between in-state rivals Marquette University and the University of Wisconsin on Wednesday, Sept. 17, 2025, in downtown Milwaukee.

Tickets for the match at the home of MU men's basketball and the NBA's Milwaukee Bucks will go on sale in late spring or early summer. Any questions can be directed to the Marquette Ticket Office by calling 414-288-4668 (GOMU) or email.

"We are excited to be back at

Fiserv Forum and showcase the high level of volleyball being played in this state," said now former Marquette head coach Ryan Theis. "Our match two years ago at the venue was record setting and the event is something our student-athletes and coaches will always remember. We are looking forward to another great turnout celebrating one of the fastest growing sports in the nation and our amazing fans at Marquette."

Theis announced on Feb. 17 that he is leaving Marquette to become the next head coach at the University of Florida.

The Golden Eagles and Badgers played in front of 17,037 fans at Fiserv Forum on Sept. 13, 2023, still an NCAA attendance record for an indoor regular season game. It remains a state record for attendance at a women's sporting event and ranks as the 15th-most attended NCAA women's volleyball match ever (including NCAA tournament play).

The 2024 NCAA Division I Women's Volleyball Championship title match drew 1.3 million viewers on network television (ABC), while the tournament itself was the

most-consumed ever as more than 1.3 billion minutes were watched across all ESPN platforms.

The two perennial NCAA tournament participants each advanced to NCAA regional competition last fall and the Badgers captured a national championship in 2021.

In addition to MU men's basketball games at Fiserv Forum, the building has partnered with Marquette to host the 2022 NCAA Men's Basketball Championship and will do so again with First & Second Round games on March 21-23 this spring

# Special Olympics volleyball team seeks athletes

BY JOSH BIGELOW  
Badger Beacon contributor

Special Olympics Wisconsin is looking for athletes to join its ranks.

The Wisconsin Bad-Pack (combination Badgers-Packers for the name) volleyball program came together in the year 2000 after a challenge was made by a Special Olympics Unified team from Indiana at the Special Olympics World Games after my Dad's (David Bigelow's) defeated the Unified team from Indiana.

A Special Olympics unified team is a team that consists of half the team members are individuals with an intellectual disability and the other half of the team consists of people without a disability. The players on the team from Indiana said that the players on my Dad's team were too good not to enter a team into the USA Volleyball Open National Championships.

In the year 2000 luckily, the National Championships were in Columbus, Ohio, so the team from Wisconsin could drive. Luckily, when we asked players if they wanted to play and were available over Memorial Day weekend, they surprisingly said, "yes." After asking a few other people to fill out the side of the roster without disabilities. The Bad-Pack headed off to Columbus not knowing what to expect. The team finished that tournament in third place and a record of 6-1.

The Bad-Pack volleyball competed at the USA Volleyball Open National Championships every year from 2000-2019. Over that time span, the team has won five National Championships including a 3-peat from 2011-2013. The Bad-Pack also had a stretch where the team played in the Championship match 11 years in a row.

The Bad-Pack volleyball team was the first Special Olympics Unified team in the state of Wisconsin. We are also the only Unified volleyball team in Wisconsin.

COVID has been tough on the Bad-Pack team. The Special Olympics Unified part of the Open was canceled from 2020-2022. In 2023 a couple of the team's longtime players decided it was the right time to stop playing and it has been hard to replace them ever since.

In 2025, the Bad-Pack volleyball would really like to get back on track and have a team back at the Open in Denver representing Wisconsin.

The hard part is over the years is that our returning players have gotten really good at volleyball, so we cannot just go out and ask anyone to play. A perspective player has to have some volleyball skills. A player doesn't have to be the best player or the tallest or the fastest player.

The team is trying to find a setter that is familiar with a 5/1 offense and a libero.

Even though most of the team is made up

of players that live in the Milwaukee area, the team practices at a school in Watertown.

The team practices now through Memorial Day Weekend. Memorial Day Weekend is when the USA Volleyball Open National Championships takes place in Denver, Colo.

A perspective player would have to be available that weekend.

The requirements to play are simple Special Olympics requires a simple liability waiver that gets filled out once and USA Volleyball requires a waiver every year.

\* Otherwise, someone just needs to have a good attitude.

\* Be willing to except a role because my dad will use all of his subs.

\* Looking into playing something other than coed recreational volleyball.

\* Be available a few Sundays from about 10 a.m. to about 1 p.m. for practice.

\* Be ready to laugh a lot.

\* We can't offer someone a weekly match but at the Open a volleyball player from Wisconsin is going to bump into many people that they know.

This year, the USA Volleyball Open National Championships take place May 22-25 Denver.

For more information, contact Josh Bigelow at (920) 248-6428 or email [joshbigelow3@live.com](mailto:joshbigelow3@live.com) or David Bigelow at (920) 285-5577.

# Outpouring of love for Madtown's Murphy Family

After four weekends of events, dozens of t-shirt sales, lots of notes of good will and much more, the Badger Region volleyball community has come out to support the Murphy Family.

The family was injured driving home from a President's Day tournament in February.

Our hearts are overflowing with gratitude as we look through the Murphy Messages from the past few weeks of events. The kindness, love, and unwavering support from this community have been truly incredible.

Thanks to your generosity, the GoFundMe has now raised over \$283,000 to help

the Murphy family on their road to recovery—and the donations are still coming in. Every contribution, every message, every show of support has meant the world during this challenging time.

To everyone who has donated, shared kind words, or simply held the Murphys in your thoughts—thank you. Your compassion leaves us speechless. The entire Badger Region stands with the Murphys, now and always.

# To clip or not to clip? Clothespins stir conversation

The clipping trend has come to the Badger Region as shown by the number of clothespins we saw at the Badger Region Championships. Most were colorful, fun and had a positive message on them. Athletes probably had fun making them and some good team bonding in the process. Badger Region supported clipping a person's backpack, water bottle and ball cart in a recent video posted on our social media. What we didn't foresee was the need to address some negative messages on the clips that some officials received. While most got positive messages (poor spelling aside), some had negative tones. We posted some of the bad ones online, and the Badger Region community came to the support of all our amazing officials in the Badger Region. Here is just a sampling of the dozens of messages we got:

Waupaca Fire 16s coach here!!  
THANK YOU SO MUCH

BADGER RE-  
GION/REFS.

This weekend  
wouldn't have  
been possible  
without all of  
you. This is  
truly disap-  
pointing &  
disrespectful.

My girls had so much fun!!

Abigail Cisweski

Personally, I think the Bad-  
ger Region has the BEST hard  
working officials around. And I'm  
Proud to say I'm an Official in the  
Badger Region. And the Badger  
Region Staff is Amazing. It was an  
honor to be a part of the Record  
Breaking 2025 Badger Region  
Championships

Eileen Alt (official)

Thank you to the Badger  
Region for always being there for  
all of the clubs (directors, coaches  
and players). You are so appreci-  
ated. And thank you to the Refs  
because without you, there would  
be no games. Thank you to the  
Club Directors who take teaching  
the coach and players seriously.

Donna Shifflett

This is sad to see. Yes, are there  
missed calls sometimes, you bet,  
but these refs are there to not only  
ref but educate the girls. Whether  
it's explaining how to the work the  
flag when line judging or offering  
some advice on how to avoid a  
double hit or net violation, they  
are there! I found this season's refs  
to be great and definitely don't  
deserve this. To even pre-plan  
making this pin is wrong. Just my  
opinion so take it as that.

favorite tournament of the entire  
year. THANK YOU for all you  
do and for all the time you spend  
growing this great sport. You are  
so appreciated!

Deb Sazama

Hats off to anyone who steps up  
and refs (in any sport), it's a hard  
job, and usually one that goes un-  
noticed or without gratitude. As  
parents and coaches we need to  
be a good example to our young  
athletes in teaching them that not  
always do the calls go our way,  
and sometimes wrong calls are  
made. It's human nature, no one  
is perfect. We move on, we have  
fun, and we play strong. Thank  
you Refs, we appreciate you!

Nicki Woldt Hertlein

Refs make the sports world  
go 'round. We appreciate what

You HAVE to give them grace  
while they navigate a game that  
is quick and sometimes chaotic!  
Nobody is perfect, and we appre-  
ciate you all!

Anne Laurent

Thank you refs! You were great  
this weekend!

Lora Fabiszewski Goedland

Hartford Volleyball Club  
appreciates all our refs! All  
the countless hours you spend  
working so our kids can grow and  
make memories and learn life les-  
sons that will carry them well into  
adulthood. Thank You So Much  
for ALL YOU DO!

Colleen Busateri

We are lucky to have great  
refs in the Badger Region.  
Roderick Stuttgart

As our game continues to  
grow, finding refs has only  
become that much harder. As  
a player and young coach I  
often found myself frustrat-  
ed with reffing efforts and  
would make it known more  
than I should have. Years lat-  
er, seeing things from the outside  
looking in, I can see how inappro-  
priate it can be. Across all sports,  
coaches, players, and parents  
think that in this social media age  
they can say whatever they feel  
to these refs. They are extremely  
underpaid and under-represent-  
ed, yet play such a crucial role in  
our sport. Be better

Jake Romano

As an x high-school, club,  
and collegiate player-- I realized  
that refs and players are both  
human. Also, nobody's perfect  
in the game of life-- much less  
the game of volleyball. Many refs  
won't make the same question-  
able call twice-- so just 'Better the  
ball' yourself to eliminate other  
perspectives.

Jamie Konrath

they do and the fact that they  
give up their weekends to blow  
whistles and get yelled at. We all  
get worked up mid-game, but this  
was premeditated and uncalled  
for. I would be sorely disappoint-  
ed if these girls were from my  
club. Talk about ruining a good  
trend.

Trisha Visser

As a long-time region member  
(both coach and player), THANK  
YOU to both the region and the  
officials for everything you do.  
Our region is fantastic; your ef-  
forts and commitment to doing a  
great job show. You do a great job!

Rob Kleinschmidt

De Pere Diggers here! Thank  
you to all the refs — especially the  
new ones who are gaining expe-  
rience in their first couple years!

# E.S.P. program recognizes sportsmanship

Wristbands given  
to adults being  
great role models

Sportsmanship isn't a suggestion for the way every player, coach and fan should act on and off the court. It is the expectation.

To reward those exceeding expectations, the Badger Region wants to recognize you.

The 2023-24 marks the eighth year of the "Enthusiastic. Supportive. Positive." program that highlights volleyball enthusiasts, specifically fans in the stands.

Last season, tournament directors throughout the Region distributed close to 250 wristbands at events and tournaments, and we're looking to hand out hundreds more.

Then, at the Badger Region Championships in March, anyone (adults/spectators only) who was awarded a wristband throughout the year, will be eligible to

win Badger Region gear such as T-shirts, water bottles, mini volleyballs and other cool swag.

So, what do you have to do to get a wristband? Support your team! Be positive! Show character that would make your mother proud!

Get a little crazy. Go the extra mile. Recognize the good in your team and others. Get excited when even your opponent makes an amazing save or play.

Don't cheer against another team. Don't taunt or heckle officials, coaches or players. Don't give your club or team a black eye with any "in your face" cheers.

Tournaments directors, Badger Region staff, referees and board members are watching.

If you get one of our colorful "ESP" wristbands, come to the Championship Desk at the Badger Region Championships for prizes. Anyone with a wristband gets one entry into the raffle. At certain points throughout the day, names will be drawn for the prizes.

The only rule: You must have your wristband on at the time of the raffle to receive your gift.

The ESP program is designed for recognition of adults or other individuals who are "outside the

lines." Winners do not have to be Badger Region members.

If you have someone like an athlete, coach or official who is deserving of recognition, please fill out a nomination form for the "Caught Doing Good" program (see below).

If you are a tournament director running a Badger Region/USA Volleyball-sanctioned event in 2023-24 and would like to request a package of wristbands for distribution at your event, contact Program Director Brian Sharkey at [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org).

## Nominate a coach, player or ref for special honor

'Caught Doing Good'  
now in its third year

The Badger Region knows there are great people who play, coach or officiate our great sport in the state of Wisconsin.

Now is the time to take a second to recognize him or her for their outstanding character, leadership or contribution to the Badger Region or others in the volleyball community.

[To nominate an individual for "Caught Doing Good," click here.](#)

The 2023-24 season marks the third year of the "Caught Doing Good" program in the Badger Region.

In the past, some examples of folks Caught Doing Good were of coaches who took on multiple teams in the wake of situations at their clubs. There have also been coaches who have gone above and beyond to lead by example and be amazing role models for the young men and young

women in their care.

Some athletes have been recognized by their coaches or fellow teammates for their amazing show of sportsmanship, leadership and character on and off the court.

Just because a coach or athlete receives an award does not mean they are the best

coach in the Badger Region or the best athlete. It means they are doing things the right way, and in ways we can all learn from.

Nominees for "Caught Doing Good" will be eligible to win awesome prize packs from the Badger Region including Molten packs or volleyballs, Badger Region apparel or other Badger Region-branded items such as fanny packs, coolers or mugs. Winners will also be featured in future Badger Region newsletters.

"We want to recognize the people on the court who are models of behavior for the rest of us," said Program Director Brian Sharkey. "It's much friendlier on our end to celebrate the positive stories than have to reprimand those that don't have their priorities in order."

Only Badger Region members (coaches, club directors, tournament directors, athletes, administrators, athletic trainers, etc.) are eligible for Caught Doing Good awards.

Have questions about Caught Doing Good? Email [brian@badgervolleyball.org](mailto:brian@badgervolleyball.org) or call 414-313-9055.

# Region to host 2025 All-Star event

## Madison chosen for elite tournament

The Badger Region Volleyball Association and the Madison Area Sports Commission (MASC) are proud to announce that Madison and the Alliant Energy Center have been selected to host the 2025 USA Volleyball All-Star Championships. The event will feature All-Star teams from across the country composed of boys and girls players, ages 13-19, as well as officials from around the nation.

Madison was selected from various sites around the country by the participating programs. It will be the first time a Wisconsin city has hosted this prestigious event since 2010, when it was held in Wisconsin Dells.

"We are very proud to be hosting this event in Madison, in partnership with the Madison Area Sports Commission," said Badger Region Volleyball Executive Director and Commissioner Jennifer Armson-Dyer. "Wisconsin is a hotbed of volleyball at all levels, and to be able to bring this event to our local community is very rewarding. We're looking forward to showing the juniors volleyball community what Madison is about."

The event will take place in late July 2025 at the Alliant Energy Center and will feature four days of competition across nine divisions of both boys and girls volleyball ages 13-19. More than 100 participating teams will come from the 40 regions of USA Volleyball along with international teams. In the past, teams from Canada, Puerto Rico, Australia and New Zealand have attended the event.

Not only will players, coaches and spectators travel from around the nation to Madison, but officials will as well. Each participating region sends experienced and up-and-coming officials to work the event and be mentored by world-class officials to gain experience officiating high-level volleyball and making important connections to further

The Badger Region brought home two gold medals from the All-Star event in Tulsa in 2022. The event will be in Madison in 2025.

their careers.

"Hosting this prestigious tournament in Madison -- one of the epicenters of volleyball has long been a goal of ours," said Jamie Patrick, VP of MASC. "We look forward to continuing our partnership with Badger Region Volleyball to welcome athletes and their fans to compete, cheer and enjoy volleyball and activities in the indelible Madison."

The All-Star Championships started in the early 2000s as an elite-level event designed to showcase regional All-Star teams along with national training teams from USA Volleyball, the national governing body of volleyball in the United States, in multiple age divisions. Previously known as the High Performance Champion-

ships, the USA Volleyball All-Star Championships are now run by the Regional Volleyball Associations and it is endorsed by USA Volleyball as a "pipeline" event to the National Team Development and Olympic programs.

Badger Region has been a participant in this event since its beginning, capturing 15 medals, including most recently a bronze medal by the U13 girls team last July in Fort Lauderdale, Fla., and a gold medal by the U17 boys and U17 girls teams in 2022 in Tulsa, Okla. The 2024 All-Star Volleyball Championships will be held in Des Moines, Iowa in mid-July. Information about the Badger Region Volleyball tryouts for the 2024 teams will be announced in January.

For more information on the event as details emerge, please visit the Badger Region website at [www.BadgerVolleyball.org](http://www.BadgerVolleyball.org) or contact us at [membership@badgervolleyball.org](mailto:membership@badgervolleyball.org).
